

Over 99% UV EFFECTIVENESS

This top of the range fabric is 100% solution-dyed acrylic. It's the most fade resistant outdoor fabric available. Sunbrella acrylic is durable, easy to care for and long lasting.

Over 98% UV EFFECTIVENESS

O'bravia is 100% solution-dyed polyester. It is a strong, durable and easy to clean fabric and has legendary fade resist properties, exceeded only by Sunbrella.

OLEFIN

95-98% UV EFFECTIVENESS

Olefin is made from polypropylene or polyethylene. Olefin is lightweight, fade & stain resistant. It's easy to clean and dries quickly.

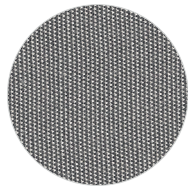

POLYESTER

90-94% UV EFFECTIVENESS

Polyester fabric is strong, quick drying and least expensive. It is impervious to stretching and shrinking and is easy to clean. Fade resistance is not as superior as other outdoor fabrics.
